

Login

A screenshot of a web browser displaying the Flutter login page. The browser's address bar shows 'localhost:1182/#/'. The page features the Flutter logo at the top center. Below the logo are two input fields: 'UserName' and 'Password'. The 'Password' field has a lock icon on the left. Below these fields are two blue buttons: 'Login' and 'Register'. Between the buttons is the text 'Don't have an account?'. The background of the page is a light blue abstract design. A red 'DEBUG' banner is visible in the top right corner of the browser window. The Windows taskbar at the bottom shows the search bar, task view, and several application icons. The system tray on the right indicates a temperature of 26°C, the language is set to ENG, and the time is 03:10 PM on 18-03-2022.

A second screenshot of the Flutter login page, showing validation errors. The 'UserName' field now has a red border and a red error message below it: 'User Name cannot be empty'. The 'Password' field also has a red border and a red error message below it: 'Enter valid Password'. The rest of the page, including the Flutter logo, buttons, and background, remains the same. The 'DEBUG' banner and the Windows taskbar are also present, with the system tray showing a temperature of 26°C, the language is ENG, and the time is 03:11 PM on 18-03-2022.
